

Principles

The twelve action steps to prayer are:

1. *Become Silent:* Be still, and gather yourself. If your spirit, body, mind, and emotions are separated, then you will be unable to pray God's will with singleness of purpose. Silence helps bring you into unity with God. Psalm 46:10-11
2. *Give Adoration:* Worship God for who He is: King of all the earth, your Creator, your Saviour, your All in All. Psalm 48:1-2
3. *Make Confession:* Agree with God about what He says to you and about you. Don't dwell on past sins but obey God intermediately when He shows you that you are wrong. Job 22:27-28
4. *Give Thanks:* Offer sacrifices of praise to God with a free heart for all that He has done for you. Psalm 103:2-6
5. *Make Supplication:* As God shows you what He desires, wholeheartedly agree with Him in prayer to fulfil His will. James 5:14
6. *Specify Petitions and Requests:* When you ask God to do something for you, bring evidence relevant to the case in the form of God's will and Word-through specific, intentional communication. Phil 4:19
7. *Secure the Promises:* When you petition the Lord, take God's promises before Him, applying them to the specific request you are making. Then hold onto God's promises. Psalm 23:1
8. *Plead the Case:* Don't beg or moan before God, but pray intelligently because you rightfully deserve the answer based on God's promises. Luke 11:9
9. *Believe:* Believe right at the time you are asking that you have the answer to your request, and you will receive it. Mark 11:22-24
10. *Give Thanks:* Thank God for what you don't yet see because you believe it is already done. Rom 4:17
11. *Live in Expectation:* Anticipate the answers to your prayers by preparing the way for them. Rom 4:17-20
12. *Practice Active Belief:* Don't stop after you have prayed. Get up and look for what you asked for. If you seek and knock, it will come to pass. Rom 4:17-21
